# SEAMLESS PRINTED TEXTILE WALLCOVERINGS

## JM

### No seams or joints.

The wall height can go up to 310cm (500 cm available upon request), with the length practically unlimited.

Thanks to the materials **durability**, it is perfectly suitable for both residential facilities and public spaces.

### Unlimited image selection.

Any image from Shutterstock.com or your own pictures can be printed on your wallcovering, elevating your interior design to a new level.

### Easy and fast installation.

The usual water-based wallpaper paste is used for securing JM wallcovering.

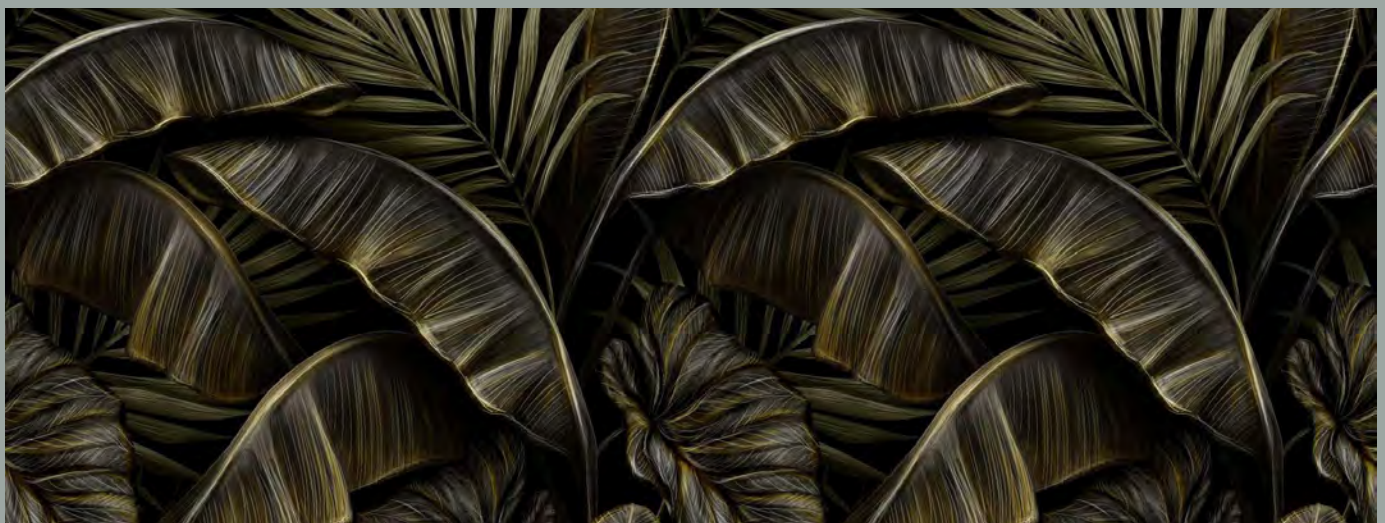

### Eco-friendly material.

JM Covertex UPcyclingFR textile is eco-friendly, as it is produced from recycled materials.

**Short production time:** from 1 working day.

A whimsical children's room with a dream-themed mural. The wall is covered in a large, light-colored mural featuring a crescent moon, stars, clouds, a hot air balloon, a girl on a swing, a girl on a bicycle, and a girl on a horse. A large, woven giraffe stands on the left, holding a hot air balloon. A hammock with a dark blue and white striped interior hangs from the ceiling, containing a white stuffed deer. A small, round, light-colored wooden table with three legs holds a small wooden toy. A dark blue cushion rests on the floor next to a large, light-colored rug. The floor is made of light-colored wood. A window on the left shows a glimpse of the outdoors with a pink flower. The word "KIDS" is written in white capital letters on a dark blue background in the top left corner.
